Re point four YOUR 420.

Department welcomes [ ] Initiative on Cuban shipping. Embassy should assist GOV every way in drawing up effective regulations.

President expects publish Executive Order shortly specifying measures to be taken affect ~~Executive~~ ships engaged in/Bloc trade.

Measures to be taken are in substance following: 1) No foreign flag ship will be permitted carry any cargo owned or financed by USG if any ship same owner engages in Bloc trade with Cuba. 2) US ports will be closed all ships any country whose flag vessels carry military equipment to Cuba from any source. 3) No ship which delivers Bloc cargo to Cuba or picks up a cargo in Cuba for Bloc country will be permitted use US ports on same voyage. 4) US owned and US flag vessels will be prohibited from carrying any goods destined for or originating in Cuba.

As legal basis for Executive Order we propose use authority vested in President by Constitution and US Statutes including Trading with Enemy Act of 1917, as amended; and Defense Production Act, as amended.

Final
